Dear Chief,

I've recently decided to withdraw myself from the Greenfield Fire Territory's part-time roster. This was a tough decision because I've thoroughly enjoyed serving this community and working alongside the great people of GFT. I came to Greenfield with hopes to gain knowledge and experience, and I have more than surpassed that goal. It has been an honor to work for you, and I'm proud to know that I have been affiliated with this department.

I believe my gear is in a gear locker at station 421, and I have a few uniform shirts I will return soon. Please let me know if there is anything else I need to do.

Respectfully,  
Dylan Harsin
